Street Connection Update

We are thankful to report that the ministry of Street Connection was back to its regular full operation in 2022. We continue to see new people coming for assistance and expect that to continue as families face more challenges in maintaining their food security.

As we enter our 31st year of serving those in need in the Halifax area, we thank God for His faithful provision. We are grateful for everyone that has contributed to help make this ministry possible.

We truly appreciate your support. Thank You - God Bless You.

Christmas Outreach 2022

We are pleased to report that our 31st annual Christmas Outreach was a success! We are thankful for the support we received from the many people who contributed.

In December, we were able to deliver food hampers that included a turkey and bread to approximately 214 families in the areas of the HRM that we regularly visit. Those locations included the 500 Block of Herring Cove Road, Bayers Westwood, Mulgrave Park and Greystone Drive. We also delivered hampers to Demetreous Lane in Dartmouth.

We also distributed approximately 350 treat bags for children along with new socks, hats and mitts. We know from the responses we received that the Christmas assistance was greatly appreciated.
Thank You to everyone who contributed to help make our Christmas Outreach 2022 possible.

As always, we are thankful for everyone who has contributed to help make Street Connection possible. We look forward to the opportunities that lay ahead to continue our work of assisting low income families - with a priority on children. Thank you and may God richly bless you.

Rob & Sandra Pattison
