## Street Connection Update

The past year was certainly a busy one. We continued to see new immigrants coming to us for assistance along with the individuals and families that we usually serve.

As we enter our 33<sup>rd</sup> year of serving those in need in the Halifax area, we thank God for His faithful provision. We are grateful to everyone that has contributed to help make this ministry possible.

### Christmas Outreach 2024

We are pleased to report that our 33<sup>rd</sup> annual Christmas Outreach was a success! We are thankful for the support we received from the many people who contributed.

In December, we were able to deliver food hampers that included a turkey and bread to approximately 250 families in the areas of the HRM that we regularly visit. Those locations included the 500 Block of Herring Cove Road, Bayers Westwood, Mulgrave Park and Greystone Drive. We also delivered hampers to Demetreous Lane in Dartmouth.

We also distributed approximately 375 treat bags for children. We know from the responses we received that the Christmas assistance was greatly appreciated. **Thank You to everyone who contributed to help make our Christmas Outreach 2024 possible.**

As always, we are thankful for everyone who has contributed to help make Street Connection possible. We could not have done this for so many years without your help and the provision and strength that God continues to give us.

We look forward to the opportunities that lay ahead to continue His work of assisting low income families - with a priority on children. Thank you and may God richly bless you.

*Rob & Sandra Pattison*
